Residential & Commercial | Coimbatore

DESIGNING SPACES. CRAFTING EXPERIENCES.

Built around the way people live, work and use space.

Forma Studio is a Coimbatore-based interior design and execution studio working across residential and commercial spaces. From modular kitchens and wardrobes to complete interiors and bespoke furniture, our focus is practical planning, refined detailing and reliable execution.

RESIDENTIAL | COMMERCIAL | CUSTOM BUILT

Selected work in this portfolio includes kitchens, wardrobes, bedrooms, living spaces, study units, reception areas, event spaces, partitions, ceilings and custom furniture.

SELECTED RESIDENTIAL INTERIOR

One studio. Multiple interior packages.

KITCHENS

Functional planning, efficient storage and finishes selected to suit each home.

MODULAR KITCHEN

SELECTED EXECUTED WORK

Wardrobes & storage

Built-in storage designed around room proportions, access and everyday use.

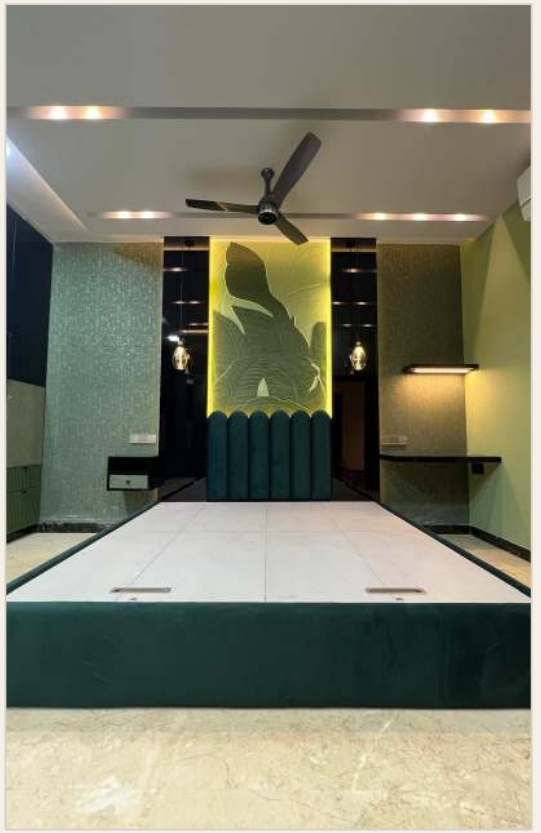

Bedrooms

Furniture, storage and feature elements brought together as one cohesive room.

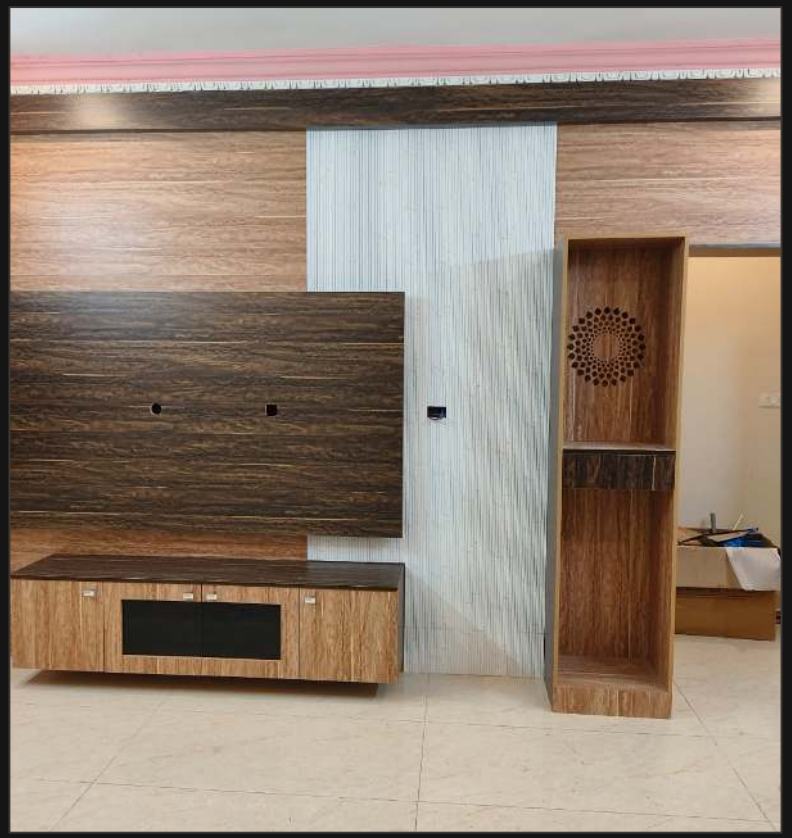

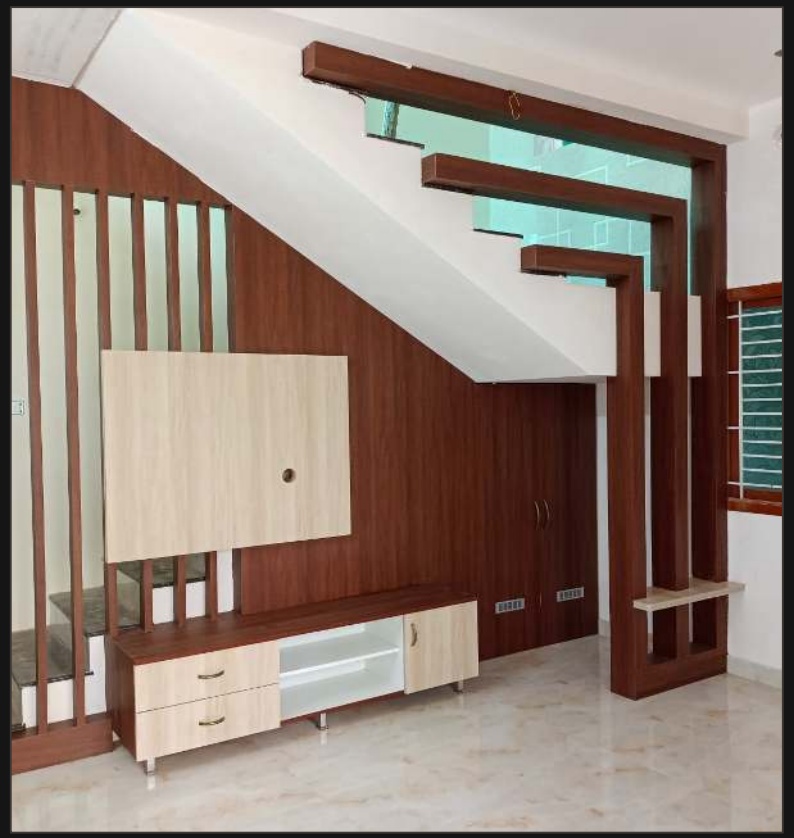

Living spaces & TV units

Media walls, display storage and feature treatments tailored to the room architecture.

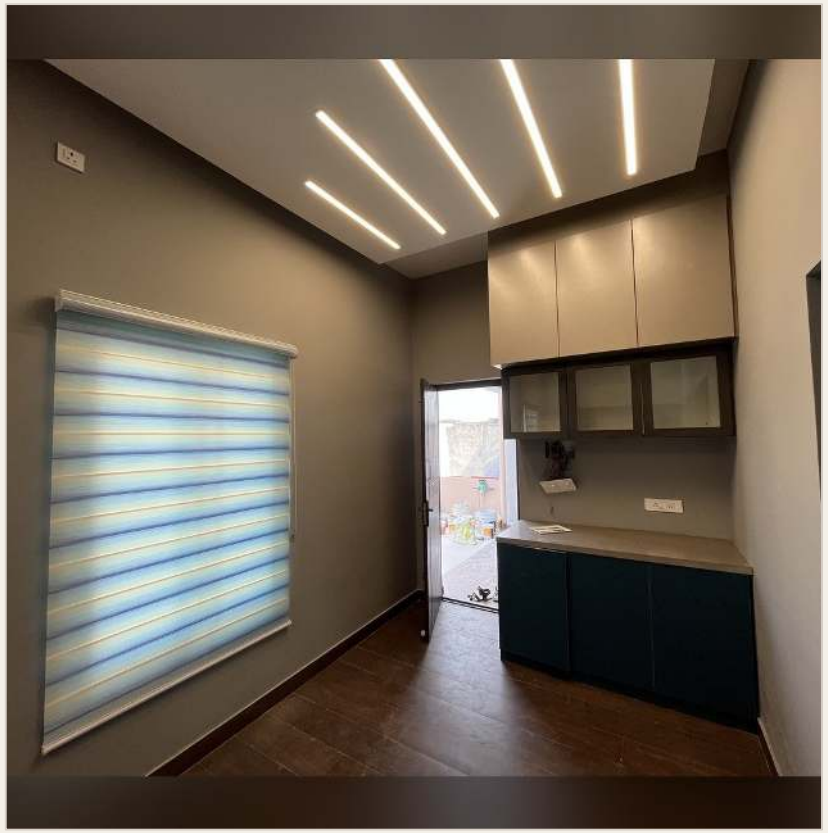

Study & workspaces

Compact work areas with integrated storage, task surfaces and clean wall detailing.

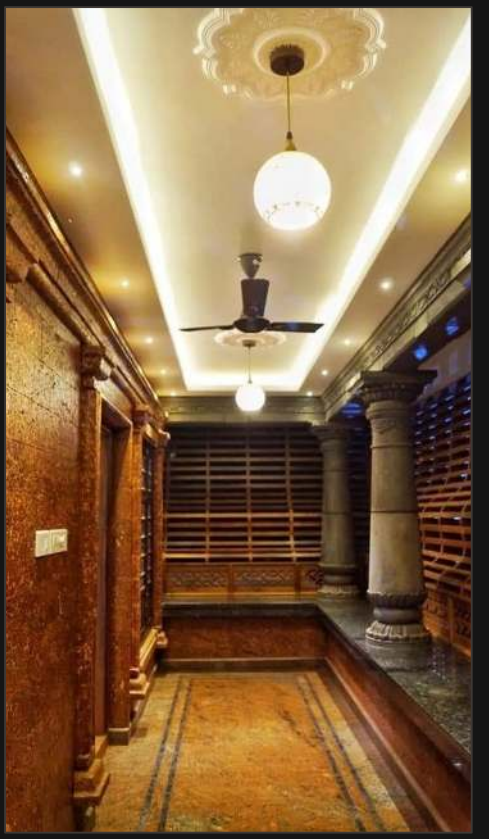

Dining & common areas

Warm material palettes, storage and ceiling details that connect the spaces around them.

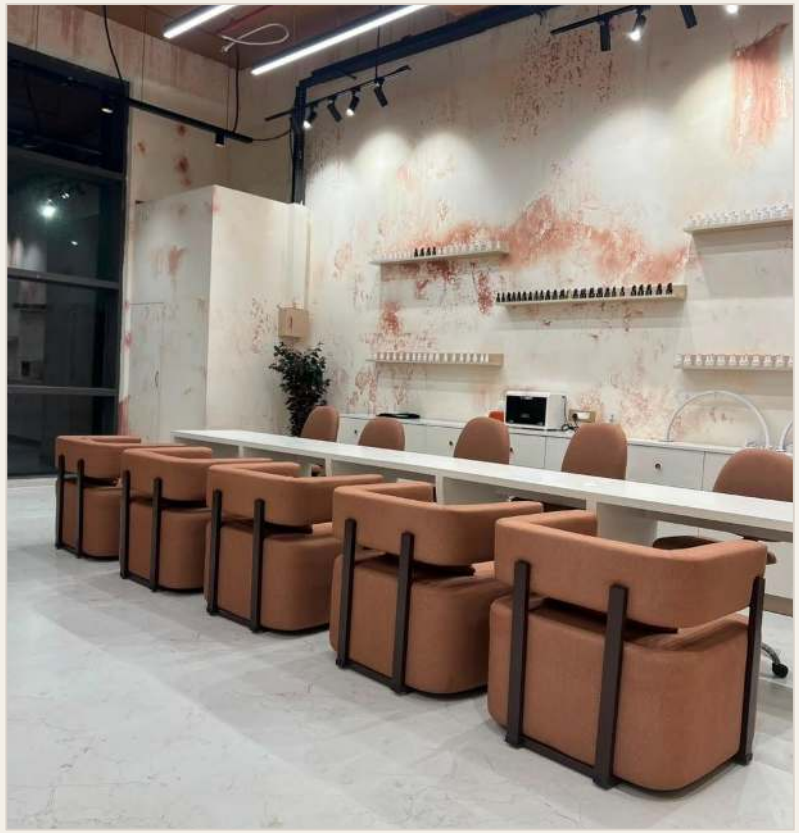

Reception, lounge & client-facing spaces

Commercial interiors that balance brand experience, seating, circulation and custom joinery.

Event spaces & statement ceilings

Layered ceiling work and architectural details used to create memorable large-format interiors.

Partitions, staircases & feature elements

Joinery and architectural details that complete the interior beyond standard furniture packages.

Bespoke pieces for special requirements

From storage beds to playful children’s furniture, we take on custom-built requirements beyond standard modular work.

03

QUOTE

BOQ / costing, approvals and schedule

04

EXECUTE

Production, site coordination and installation

05

HANDOVER

Final checks, completion and closeout

Flexible engagement: complete interiors, room-wise packages, individual furniture items or execution-only support.

Materials, hardware & site delivery

Our project approach is built around practical material selection, clear specifications and controlled installation.

01

BWP-GRADE PLYWOOD

A durable base material for furniture and wet-area applications.

02

BRANDED HARDWARE

Hettich · Häfele · Blum, selected according to project requirement.

03

PROJECT-SPECIFIC FINISHES

Laminates, glass, upholstery, decorative panels and other finishes as required.

04

OWN INSTALLATION TEAM

Installation handled by our team for continuity from production to site.

We adapt the specification to the project - from value-conscious residential packages to detailed custom joinery and commercial interiors.

COLLABORATION

Built to work for clients and design partners.

FOR HOMEOWNERS

- Room-wise or complete interior packages
- Design and material guidance
- Custom furniture made to requirement
- One execution team from production to installation

FOR ARCHITECTS & DESIGNERS

- Execution to drawings, BOQ and design intent
- Kitchens, wardrobes and custom joinery packages
- Material / hardware coordination
- Site installation and project support

Start with one furniture package or collaborate on a complete interior fit-out.
